I further state that I am an Inspector U.S. Marshal and that this complaint is based on the following facts:

On or about September 12, 2008, a warrant was issued by the State of California, County of Los Angeles, for violation of California Penal Code § 187, a felony, to wit: Homicide of Ana Cecilia Funes on September 12, 2008, for homicide suspect Tomas Gonzalez ("GONZALEZ").

GONZALEZ has the following identification information: DOB: 03/16/1962, Sex: Male, Race: Hispanic, Height: 5'08." Weight: 180lbs, Hair: Brown, Eyes: Brown, DHS-ICE Alien Registration #A092828267).

During the investigation by Los Angeles County Sheriff's Homicide Detectives, GONZALEZ was identified as the primary suspect in the murder Ana Cecilia Funes, a human being. During the homicide investigation, detectives recovered a receipt at the crime scene for air travel to Guadalajara, Jalisco, Mexico on Mexicana Airlines with GONZALEZ listed as the traveler. During the fugitive investigation it was discovered GONZALEZ contacted family members and the godmother of his children stating he was in Guadalajara, Jalisco, Mexico. GONZALEZ fled the jurisdiction of the Los Angeles County Sheriff's and is actively evading capture by law enforcement.

According to Los Angeles County Sheriff's Department detectives, GONZALEZ is believed to have fled to Mexico based on records recovered from the crime scene and field interviews of family. On March 20, 2012, Mexican federal authorities attempting to execute a Provisional Arrest Warrant for GONZALEZ on behalf the United States were unable to apprehend GONZALEZ. Mexican federal authorities reported GONZALEZ was able to avoid apprehension and now GONZALEZ is fully aware of the warrant for his arrest based on the actions of Mexican federal authorities.

Based on the information set forth above, I am of the opinion that there is probable cause for the issuance of an arrest warrant for a violation of Title 18, United States Code, Section 1073(1), to wit; Unlawful Flight to Avoid Prosecution.
